## P.S.

A bee in my house reminds me that At Quarr Abbey, there are bees, & mead - of course - is made. In Shanklin, there is a big green called 'Big Mead' (wow). Joanne Thornton's book

## Island Living

Dear comrades, O, the island life is the life for me via sick pistacchio boat (joking). Grace Jones sings from a square and is framed in an old cinema poster; I spin. 'Deux arabesques' is a song by...

## P.S.

P.S. On the later finding of further notes in Facebook Messenger, some additional observations from Roma (pt. 2): a number of sandbags hoisting upwards at Vicolo Cieco as viewed from brick thunder-...

## Roma pt. 2

A recent 2nd time to the historic city of ROMA was a treat after the 1st, an SWW-DTP2 funded school trip to the British School at Rome earlier this year where each attendee had to produce an art-wo...
